

Greetings!

Wishing you a hearty CONGRATULATIONS for a great delivery of an exhibition.

I know it went through a lot of ups and downs, but what is important is ensuring that all the aspects are delivered of the exhibition.

I am happy to share, that we completed the development with videos and Product details of 60+ exhibitors, who shared their details and videos with us.

Following is the master link for your perusal - <https://myvspace.in/ve/#/precitech2.0/home>

Following is the list of individual links, which you should also send individually to the respective exhibitors from your end. their IDs and Passwords are already shared, and they also have been notified on their emails about the back-end platform, in case someone asks any questions we can guide them respectively.

I am also attaching an Excel sheet for your perusal.
